

Silver Surfers

We are running informal, friendly and fun afternoons for older people to learn basic ICT skills on Monday 17 May and Tuesday 18 May between 1:15p.m. and 3:00p.m. Pupils from Years 1 and 2 will be the tutors. www.hants.gov.uk/silversurfers has more details (or feel free to come and see me). However, please be aware that, due to the age of our pupils, this is primarily an opportunity for them to socialise with another generation, giving older visitors a chance to look around our school and chat with the children, as well as to discuss internet use and computer skills.

Refreshments will be available at a small charge, and each visitor will receive a free information pack during the session.

Please complete the slip below if you have any members of your family who would like to attend, and return by Thursday 13 May if possible to allow us to accommodate numbers as best we can.

Kind regards

Miss Hine
ICT Co-ordinator
