Spring 2 2010

Look inside for some ideas
on how you can support your
child's learning at home...

World Book Day - Thursday 4th March

We will be dressing up on this day as our favourite book character.

If you would like to be involved in any reading or book related activities on the day, please leave a message for Libby Wyatt through the school office.

Reminder

DAY CLOSURE

The school will be closed for staff training on Monday 1st March.

This half term we are learning about The Great Fire of London, researching the key events and sequencing them in chronological order.

MATHS

Have a go at measuring the length of objects around your house. Can you make your own tape measure to use? We will also be learning to tell the time for $\frac{1}{4}$ past and $\frac{1}{4}$ to the hour. See if you can notice what time your favourite club or t.v. programme starts and finishes.

I.C.T.

We will be teaching the children how to research using the internet. You could try searching some child-friendly websites to learn about the Great Fire of London.

ENGLISH

Visit your local library to see if you can find out about the Great Fire of London. We will also be reading a selection of stories written by the same author. Who is your favourite author? You could read a selection of their books and write a book review about the one you prefer most to explain why.

ART

Investigate fiery colours in and around your home. Can you make a collection of different natural and man made materials and create a fire collage?
