

2 November 2010

Dear Parents,

Each year we arrange lots of exciting events and activities linked to topic work. This term, as part of their topic, children will be learning about Guy Fawkes. On **Tuesday 9 November** we will be holding a bonfire party, during school time, for the children only.

The children will have the opportunity to hold a sparkler during the party. In order to ensure the safety of the children, only one child will hold a sparkler at a time and they will be closely supervised by an adult. **It is imperative that all children bring gloves to school on that day if they are going to hold a sparkler.**

We will also be having a small bonfire and, as a class, we will be choosing an item to place on the fire. The children will then have the opportunity to investigate which objects burned and which did not. In order to ensure the safety of the children, the bonfire will be roped off and the children will be kept at a safe distance.

If you have any questions about the party then please see your class teacher.

Thank you for your support.
