

Curriculum Evening 18 November 2009

As promised, our extra curriculum evening will be on Wednesday 18 November, from 6:30 to 7:30 p.m., for those of you who missed the first evening or would like to attend additional workshops.

On this evening the staff will be teaching a variety of lessons so you can see the strategies we use to help your children learn. You will have the opportunity to go to three 20 minute sessions to get a flavour for different curriculum areas and approaches used. Which three sessions you choose is up to you and each will have content suitable for all year groups.

The following are the sessions available:

- ▶ Creativity and child initiated learning
- ▶ Science and how we use TASC (Thinking Actively in a Social Context) to stimulate learning
- ▶ Personal Development Learning and how we use P4C (Philosophy for Children)
- ▶ PE, focusing on Dance
- ▶ Music
- ▶ RE, how children learn different concepts
- ▶ Writing, using Pie Corbett story mapping
- ▶ Personal Development Learning and how we use PATHS (Promoting Alternative Thinking Strategies) to celebrate good behaviour
- ▶ ICT

I hope you enjoy this additional evening and would appreciate it if you could indicate your attendance on the slip below.

Cathy Davies
