

AUTUMN TERM - NEWSLETTER NO. 7

Many Thanks

Having arrived in school this morning feeling very miserable having dislocated my thumb in a dusting accident (!). I was touched by all your concern and good wishes. Staff at Southampton General Hospital were absolutely fantastic and I now know that cleaning is definitely not the hobby for me!!

Governor News

I am pleased to announce that, following the recent parent governor election, Anita Clarke has been appointed as our new parent governor and will serve for a term of 4 years. A very warm welcome to Anita whose skills and experience will be of excellent benefit to the school.

On behalf of the Governing Body, I would like thank you all for voting in the election. The high proportion of parents taking part in the voting process demonstrates the strong support and keen involvement that parents have towards the school.

Thanks go to all the candidates for putting themselves forward and expressing an interest in becoming a governor.

Family Holidays During Term Time

I know that we share the desire to ensure all our children are in school for as much of the time as possible so they make the excellent progress in their education which they deserve and have the right to. I am attaching Hampshire's updated guidance on Taking Family Holidays During Term Time for your information and thank you for your continued co-operation.
